## PRE-BUILT PANELS – SAVES MONEY, SAVES TIME

1. Pre-cut Floor: Constructed of Cedar 2" x 4" floor joist & plywood sheets.
2. WALL PANELS: Walls are pre-built panels constructed with 2" x 3" framing. Standardized wall panel sizes allow for flexible window and door placement. Walls are 6 ft high for most models.
3. ROOF PANELS: Roof comes in pre-built panels. Each panel comes with attached Cedar wood shingles. 2" x 3" roof rafters with 1" battens and 15lb roofing felt. Optional OSB Roof panels available, awaiting your choice of roofing material, to match your house or garage.
4. WINDOWS: Various plexi-glass window styles are already mounted in the wall panel(s). Most windows come with decorative shutters and planter box.
5. DOORS: All Cedar doors.
6. HARDWARE: Black powder coated steel hardware for windows and doors is included. All fasteners (nails & screws) are included for completing the project.

### GARDENER

6'x9' (G69) (as shown). Comes in various sizes. Includes one fixed window with decorative shutters, a flower box and a Dutch door. The Gardener offers plenty of wall space for your tools. It can also be used as a children's Playhouse and after the children are grown up, as a small Potting or Storage Shed. Customize your Gardener by upgrading the one fixed window to a functional window or by adding more windows or a cupola and weathervane.

### LONGHOUSE

12'x6' (LH126) (as shown). Comes in various sizes. Includes two fixed windows with decorative shutters and flower boxes and 5 ft wide double door. The LongHouse double door entry allows for easy access and versatile yard placement. Two fixed windows flank the door giving the LongHouse a backyard cottage appearance. The fixed windows can be upgraded to full awning (opening) windows. Options available include additional door and windows, weathervane, cupola and 7 ft wall extension.

### RANCHER

8'x10' (R810) (as shown). Comes in various sizes. Includes one fixed window with decorative shutters and flower box and 5 ft wide double door. The Rancher is our most versatile shed. With its wide double door, the Rancher can accommodate large items such as riding lawn mowers, ATV's, and motorcycles. The fixed window with flower box and shutters gives it style and yard appeal. Available in 6 sizes, we are sure you'll find a size that suits your needs and yard size.

### BOATHOUSE

12'x6' (BT126) (as shown). Comes in various sizes. Includes three fixed windows with decorative shutters and flower boxes, 5 ft wide double door, and single Dutch door. The Boathouse is a multi-purpose shed offering plenty of storage room for those longer-than-normal items like canoes and single kayaks. The 5-foot wide double door on the gable end and the Dutch door on the long side of the shed allows you to park your ride-on lawn mower at one end while still leaving plenty of access and storage room for tools and other items.

### HAIDA

12'x8' (H128) (as shown). Includes two oversize half awning windows and solid cedar door with lockable door set. The Haida's two oversize windows allow plenty of light into this stylish garden structure. The mutton bar detail is not just decorative, it is the push out functional portion of the windows. For added luxury, the Haida comes with a solid cedar door and a locking door set. Add interior height by ordering the 7 ft wall extension option.

### BEACHHOUSE

12'x8' (BH128) (as shown). Comes in various sizes. Includes six full awning windows with decorative shutters and flower boxes and solid cedar door with lockable door set. The BeachHouse is a nice garden retreat. The six awning style windows allow in plenty of fresh air and light. The BeachHouse is a wonderful place to curl up on a beautiful sunny summer day for an afternoon coffee or to read a good book.

### CABANA

9'x6' (C96) (as shown). Comes in various sizes. Includes a Dutch door and fixed windows with decorative shutters and flower boxes. One of our more popular styles of garden buildings, the Cabana offers an aesthetically pleasing design which makes a welcome addition to any backyard. The Dutch door flanked by two fixed windows along with the flower boxes and shutters gives the Cabana a charming cottage appearance. Use it as a poolside cabana, a playhouse or for garden storage.

### GARDENER'S DELIGHT

6'x9' (GD69) (as shown). Comes in various sizes. Includes two full awning windows. The Gardener's Delight with its 3 ft by 6 ft porch offers a cute undercover area for your latest gardening creations or an open air space in which to just sit and enjoy the beauty of your backyard. The two functioning windows on the side walls offer plenty of light and air circulation. Door options are either a sliding door or a Dutch door. To use the Gardener's Delight as a playhouse, try adding children's patio furniture, colourful window treatments and a rug.

### STUDIOSHED

9'x6' (as shown) size with Dutch Door and 12'x6' size with Double door. The BACKYARD STUDIO represents our largest lean-to-style shed. For those interested in adding a unique design to their backyard space, the Backyard Studio is the model for you. Comes with two fixed windows and a Dutch door. Add a skylight option to allow more natural light or add a ridge porch option to make it your perfect backyard getaway.

### BAYSIDE

6'x3', 8'x3', 8'x4' (as shown) and 12'x4'. Comes in various sizes. Lean-to Style Includes Dutch door and one fixed window with decorative shutters and planter box. The Bayside is CedarShed's largest lean-to style shed. The Bayside has an attractive Dutch door that can be installed on any wall, except for the 8x3 model size. This provides you with complete yard placement flexibility. Increase your access by upgrading the dutch door to a double door.

### HOBBYHOUSE

9'x6' (as shown), 10'x8', 12'x8' and 12'x10' STORAGE WITH VERSATILITY Introducing the HOBBYHOUSE. The skylight on both sides of the roof allows natural light to flood into the interior of the shed thus allowing you to carry out various crafts and pastimes from scrap booking to woodworking. Upgrade the two fixed windows to awning windows to bring in fresh air. For added security, upgrade the Dutch door to a solid cedar door with a lockable handset. There is a size to fit your your space as there are four sizes to choose from.

### SUNHOUSE

12'x12' (as shown) comes in 8'x8', 8'x12', and 8'x16' sizes. The Sunhouse is CedarShed's version of a greenhouse/storage shed. The thermoclear panel roof allows light to filter into the SunHouse to promote plant growth but keeps the interior from overheating. A functional window and Dutch door are interchangeable, allowing for versatile yard placement for the Sunhouse. The wide work benches give you plenty of room to enjoy your gardening projects.

### CLUBHOUSE

8'x12' (CH812) (as shown). Comes in various sizes. Includes two awning windows with decorative shutters and planter boxes, a slide down porch window and a Dutch door. The Clubhouse provides a poolside bar and entertainment area for family get-togethers and barbecues. The innovative slide-down window, offered standard with the Clubhouse, with its oversized window sill and the 4 ft by 8 ft covered porch makes a nice open air seating area. The two functional windows on the side walls offer enough light and air flow to make the Clubhouse a place to curl up on a sunny afternoon for peace and quiet or to escape to with a good book.

### The Bunkie

6' x 10' (BKE610) as shown shown with optional cupola. Comes in various sizes. Playhouse and storage shed in one. Don't know what to do with a Playhouse once the kids are done with it? Don't fret, the Bunkie can be easily converted into a shed. The Bunkie is ideal for those kids ages 9 to 13 years of age. Once they have had their fun, re-purpose it for your use as a potting shed or backyard storage. The porch can be used to store the firewood and the double door allows easy access for those larger items. Add the optional skylight to add more light.

### PLAYHOUSE

6'x6' (PH66) The Playhouse is designed to encourage imaginative play in a safe and cute outdoor environment. The door height of 48 inches allows parents to join in. The deluxe Playhouse has three window openings with shutters and a hinged half door. The Playhouse roof is made of cedar wood shingles. The optional functional drop down windows and Dutch door can add some security to the Playhouse.

BK910 - 9'x10' BunkHouse

### The BunkHouse

9'x10' - (BK910) (as shown). Comes in various sizes. The BunkHouse includes a 4ft wide ridge porch; wide enough to accommodate a bbq or to set up a nice seating area. The BunkHouse also includes 7ft high interior walls; giving you enough headroom to add a storage loft. The two fixed windows on either side of the Dutch door can be upgraded to functional windows. Add more windows if you desire more light. The BunkHouse is available in three sizes. Choose the one that best fits your yard and meets your needs.

RH1212 - 12' x12' RanchHouse

### The RanchHouse

12' x12' - (RH1212), as shown with optional cupola and weather-vane. Comes in various sizes. The RanchHouse is a perfect hobbyist getaway. Have a place to store all your craft supplies. Don't have to clean up your craft items when you are finished in your dining-room or familyroom. Just leave them and come back later. The double doors give you easy access for those larger items. The two fixed windows give you plenty of light. Change the two fixed windows into drop down windows and add bar stools to the ridge porch and you have a perfect place to serve your friends.

FH1612 - 16'x12' FarmHouse

### The FarmHouse

16' x 12' (FH1612) (as shown). Comes in various sizes. The FarmHouse double doors make it easy to store all those poolside chairs, cushions and toys. With the 7 ft high walls you can add a loft to increase the storage room. The gable porch is an ideal spot for a couple of chairs and a small patio table. The gable porch railings give you a place to hang those beach blankets or to string a hammock across. Turn part of the FarmHouse into a change room. The uses are endless with this attractive garden building.

CK1210 - 12' x 10' CookHouse

### The CookHouse

12' x 10' (CK1210) (as shown). Comes in various sizes. Barbeque rain or shine, the CookHouse with its gable side porch gives you a perfect spot to store your bbq under cover allowing you to grill anytime. The 4 ft wide ridge porch can serve as your dining area. The 7 ft high walls give you plenty of headroom. Add a drop down window on the gable walls, giving you an easy way to pass supplies to the bbq'er.

CDH1012 - 10' x 12' CedarHouse shown with optional cupola and weathervane

### The CedarHouse

10'x12' (CDH1012) as shown with optional cupola and weathervane. Comes in various sizes. Need that larger shed for storage or entertaining? Why not choose the 10ft CedarHouse. The CedarHouse comes with a Dutch door sandwiched between two fixed windows. It is an attractive addition to any backyard and offers maximum wall space for storage. Add more storage space by choosing the 7ft high wall options. Or it could be a crafter's paradise by upgrading the fixed to functional windows for ventilation and by adding the skylight option for light.

### HEXAGON GAZEBOS

8 ft (various models)  
10 ft (various models)

Cedarshed gazebos can be ordered as precut kits or panelized, with single tier and two tier roof options. Options such as cupolas, two tier roofs, screen kits and benches can be added to customize your gazebo. A gazebo will transform your backyard into a Victorian English garden. 10 ft gazebo with two tier roof and cupola as shown.

### OCTAGON GAZEBOS

12 ft (various models)  
14 ft (various models)

The octagon (8 sides) series of gazebos offer enough room to house a hot tub or a string quartet. Many of these gazebos can be used as outdoor classrooms for schools or rest/lunch areas for commercial establishments. 12 ft gazebo with cupola as shown.

### ENCLOSED GAZEBOS

10 ft hexagon (6-sided)  
12 ft octagon (8-sided) (as shown)  
14 ft octagon (8-sided)

Cedarshed's line of enclosed gazebos is designed for ease of installation. Like our line of open gazebos, the deck sections and roof sections are manufactured as panels that are easily slid into place. The wall sections for the enclosed gazebos are panelized, with both the windows already installed and the double french doors already prehung. The windows come with built-in screens. The wrought iron door hardware, oversized strap hinges and cupola add that touch of elegance.

### SQUARE AND RECTANGLE GAZEBOS

10'x10' square (as shown)  
10'x12' and 10'x15' rectangle

Cedarshed's square and rectangle gazebos come in open and enclosed (windows and screens) designs. The square and rectangle design is used in many instances to house hot tubs and spas or, the work from home people can convert it into their own "Ultimate Backyard Office".
